Top 10 Activities

*Metrics calculated from Jan 2025 to July 2026 - Claris Companion Florida Customers

From Digital Access to Human Connection

I am home bound and don't get out. I look forward to seeing the morning quote that's on the tablet every morning. I also look forward to the bingo, ladies meetings and the co-ed meetings that we have each week. It makes me feel like there's people out there I can visit with and not be here at home alone. I thank Seniors First and the tablet so much for everything they do for me."

Judith L.

A New Funding Opportunity

As of 2026, lead agencies can use **Community Care for the Elderly (CCE)** funding to deliver the Claris Companion program to older adults across Florida.
